

Press release no 4/2019

Awilco LNG ASA – Contract update

With reference to press release no. 2/2019 and stock exchange announcement 5 June 2019 Awilco LNG ASA is pleased to confirm that the 2013-built 156,000 cbm TFDE WilPride has been inspected and accepted by the Charterer and is scheduled to be delivered on or about 10th July 2019.

To reiterate the 8-month time charter is estimated to contribute an annualised EBITDA of about MUS\$ 23 during the charter period.
